

Transportation Day
February 25, 2017
9am -1pm
hosted by
God's Garden Preschool

We cordially invite you to participate in our 17th Annual Transportation Day. Our highly anticipated Ahwatukee community event showcases over 40 different vehicles including a Helicopter landing, Fire Trucks, a City Bus, Police Vehicles, Go-Karts, Boats, Hummers, UPS, Sanitation Trucks, and other unique vehicles. This is a great family event that includes activities for kids of all ages exploring vehicles, live entertainment, enjoying our Fun Zone with inflatable bouncers and carnival games, raffle baskets, and boutique and food vendors.

Last year we hosted approximately **4,000 attendees** and we would love to have your vehicle(s) at our event for everyone to enjoy and have the opportunity to explore up close! We will advertise in the newspapers, place fliers in area businesses, and have numerous signs directing the public the day of the event. Please join us this year by having **YOUR** vehicle at this FUN event!

WHEN: Saturday, February 25, 2017, 9:00 am to 1:00 pm
(Vehicles need to arrive between 7:00 - 8:00 am)

VEHICLE COORDINATORS:

Trevor McGilvra trevmcgilvra@gmail.com
Michelle Rhodes directorgodsgarden@horizonchurch.com
